5. By Court Order dated February 24, 2012, a Joint Motion to continue the Initial Case Management Conference was granted, resetting the conference to March 30, 2012. (Doc. #27).

6. Plaintiff respectfully requests that the sixty (60) day filing deadline for his class certification motion pursuant to LR23.01(b) be extended until a date to be set at the March 30, 2012 Initial Case Management Conference.

7. Proceeding in the above manner will not prejudice any of the parties or cause undue delay in the litigation; indeed, the parties have yet to conduct their Rule 26 conference and no responsive pleadings have been filed by either Defendant.
